

Gersky's Catering and Event Planning Newsletter

Tips, hints, and other fun stuff from Gersky's Catering and Event Planning September 2005

Greetings!

September is here, and that means fall is right around the corner. Since the kids are back in school, we thought "back to school" would be an appropriate theme for this month's issue.

As well as the fantastic cooking classes being offered at Kitch n Kaffe, we also have an interview with a current Culinary Institute of America student.

With so many great things going on in the culinary universe we here at Gersky's want to extend our heartfelt thoughts and prayers to those affected by hurricane Katrina and encourage everyone to do anything they can to help out.

Happy reading and eating - Howie, Joel, and Michelle

Fall Cooking Classes

September means it's time for the kids to go back to school. But why let them have all the fun?

[Kitch n' Kaffe](#) in Mahopac, NY is offering some great classes this fall. But while all of these classes are exciting and delicious, be sure to sign up for them now as space is limited.

Interview with CIA student Kim Suzuka

Kim Suzuka is a student at the Culinary Institute of America in Hyde Park, NY and a friend of the Gersky family. Gersky's Catering has been home to a number of CIA students and graduates throughout the years, and we thank Kim for taking some time out of her busy class schedule to answer some questions for us.

Rosh Hashanah/Yom Kippur Holiday Menus

Rosh Hashanah already? Yes... The summer flew by and the Holidays are upon us. You always hear people saying how "The holidays are early..." or "They're late this year". But to us they're always on time because on the Hebrew calendar Rosh Hashanah is always the 1st of Tishri. Regardless, it's never too early to plan how you'll spend your holiday.

According to tradition, on Rosh Hashanah, the world was created, and on the birthday of the world, God passes judgment on every living

creature. On this day, Jews consider their past deeds and resolve in their hearts to start afresh and make a new beginning in the new year. As long as you're considering your past and your future, why not consider dinner.

Apple pie of course!

Our Recipe of the Month for September is the Apple Pie A La Mode Smoothie. A great dessert drink or party drink, or an anytime drink for that matter.

You can make it with or without alcohol depending on your preference. Whip up a batch, and let us know what you think.

Putnam County Film & Video Festival

The Putnam County Film & Video Festival is sponsored by Putnam Valley Arts and held at the Taconic Outdoor Education Center in Putnam Valley, New York. It has been a great success these past four years.

The 5th Annual Film Festival is open to the whole world! Surprisingly, in the past the vast majority of films still originated from within Putnam and Westchester County, showing a strong presence of filmmakers in the area.

Show your support for this fantastic local event. The dates of the festival are Saturday, October 1st, 2005 and Sunday, October 2nd, 2005.

PS. We're one of the feature stories in the first film of the festival "Across Town". Do we see a red carpet in our future?
